General questions

1. On a scale of 1-5 (5 being extremely aware) how aware of the Putney Place application are you?

1 2 3 4 5

2. Overall do you support or oppose the planning application for Putney Place?

Support Oppose Don't Know

3. If you **oppose** these plans, on a scale of 1-5 (5 being extremely strongly) how strongly do you do so?

1 2 3 4 5

4. And if you **support** the plans, on a scale of 1-5 (5 being extremely strongly) how strongly do you do so?

1 2 3 4 5

5. If you have an opinion, please state what you would regard as the maximum acceptable height for buildings in Upper Richmond Road

Higher than 10 storeys

Between 5 and 10 storeys

Less than 5 storeys

6. On a scale of 1-5 (5 being very significant) how significant a change to the character of Putney do you believe these and other plans, such as those in the pipeline for the Capsticks site on the corner of Carlton Drive or the Ram Brewery site in central Wandsworth, will be?

1 2 3 4 5

7. Is providing more homes for those who want to live in (or remain in) Putney of greater or lesser importance than protecting the area's existing character?

Greater Lesser

For those who oppose the plans

8. Please rank (1 being most important) the aspects that most concern you:

- Height of buildings
- Density of housing
- Strain on local infrastructure
- Visual appearance/design of towers
- Too few affordable homes
- Too few parking spaces
- Loss of office space
- Amount of traffic plans will create
- Impact on local property prices
- Proximity to residential areas
- Change in character of the area
- Precedent approval will set for future
- Something else (please say what in the Your Say section on the back)

9. Are you opposed to ANY high rise development here or is it just this particular design you oppose?

- Opposition to any high-rise plan
- Opposition to this specific plan

10. Would the provision of significantly more car parking spaces persuade you to support the application?

Yes No

For those who support the plans

11. Please rank (1 being most important) the aspects that you most approve of:

- Height of buildings
- New shops, cafes and a restaurant
- Improvement upon existing buildings
- Architecture and design of towers
- Provision of 108 affordable homes
- Promotion of public transport by limiting car parking spaces
- A new type of building for Putney
- New public open space and children's play area
- Something else (please say what in the Your Say section on the back)

Parking

12. Given the proximity of East Putney underground and Putney mainline station plus reasonably good bus links the developers are suggesting 32 car parking spaces are sufficient. Is this:

- A reasonable plan because we need to discourage car use in London?
- On the right track - but 32 car parking spaces is too few
- An unworkable plan: even with good public transport it is impossible to prevent so many new residents, their visitors and others who'll use the site from travelling to it by car

Office space

13. On a scale of 1-5 (5 being very concerned) how concerned are you about the loss of office and commercial space in the Putney Place application?

1 2 3 4 5

14. Do you think the loss of office space here is likely to have a detrimental impact on Putney's local economy?

Yes No Undecided

About you

15. How long have you lived in Putney?

More than 10 years 6-10 years

Less than a year 1-5 years

16. Has Putney changed since moving here?

Yes No

17. If you said **yes** to the last question, has that change been for better or worse?

Better Worse
